

## Northwest Regional Police Department

155 Merts Drive, Elizabethtown Pa. 17022  
(717) 367-8481 Fax (717) 367-3382  
Samuel H. Gatchell III - Chief of Police

### News Release

**Date: September 19, 2008**

**The Northwest Regional Police Department has conducted several details targeting aggressive driving and speeding. Two of the details were conducted under the Pennsylvania Department of Transportation's Smooth Operator program. In addition to the designated locations under the Smooth Operator Program, other locations in West Donegal and Mount Joy Townships where citizens have expressed concerns about motorist speeding were also sites of enforcement efforts.**

**Between September 9<sup>th</sup> and September 18<sup>th</sup>, 72 speeding citations and 8 other traffic related violations were filed by officers of the Northwest Regional Police Department. Speeding remains the number one citizen complaint from neighborhood residents of Mount Joy and West Donegal Townships. The Northwest Regional Police encourage motorist to allow themselves sufficient time to reach their destinations. This is important at all times, but even more important during the school year when children are going to and coming from school.**
